presents

Unlimited

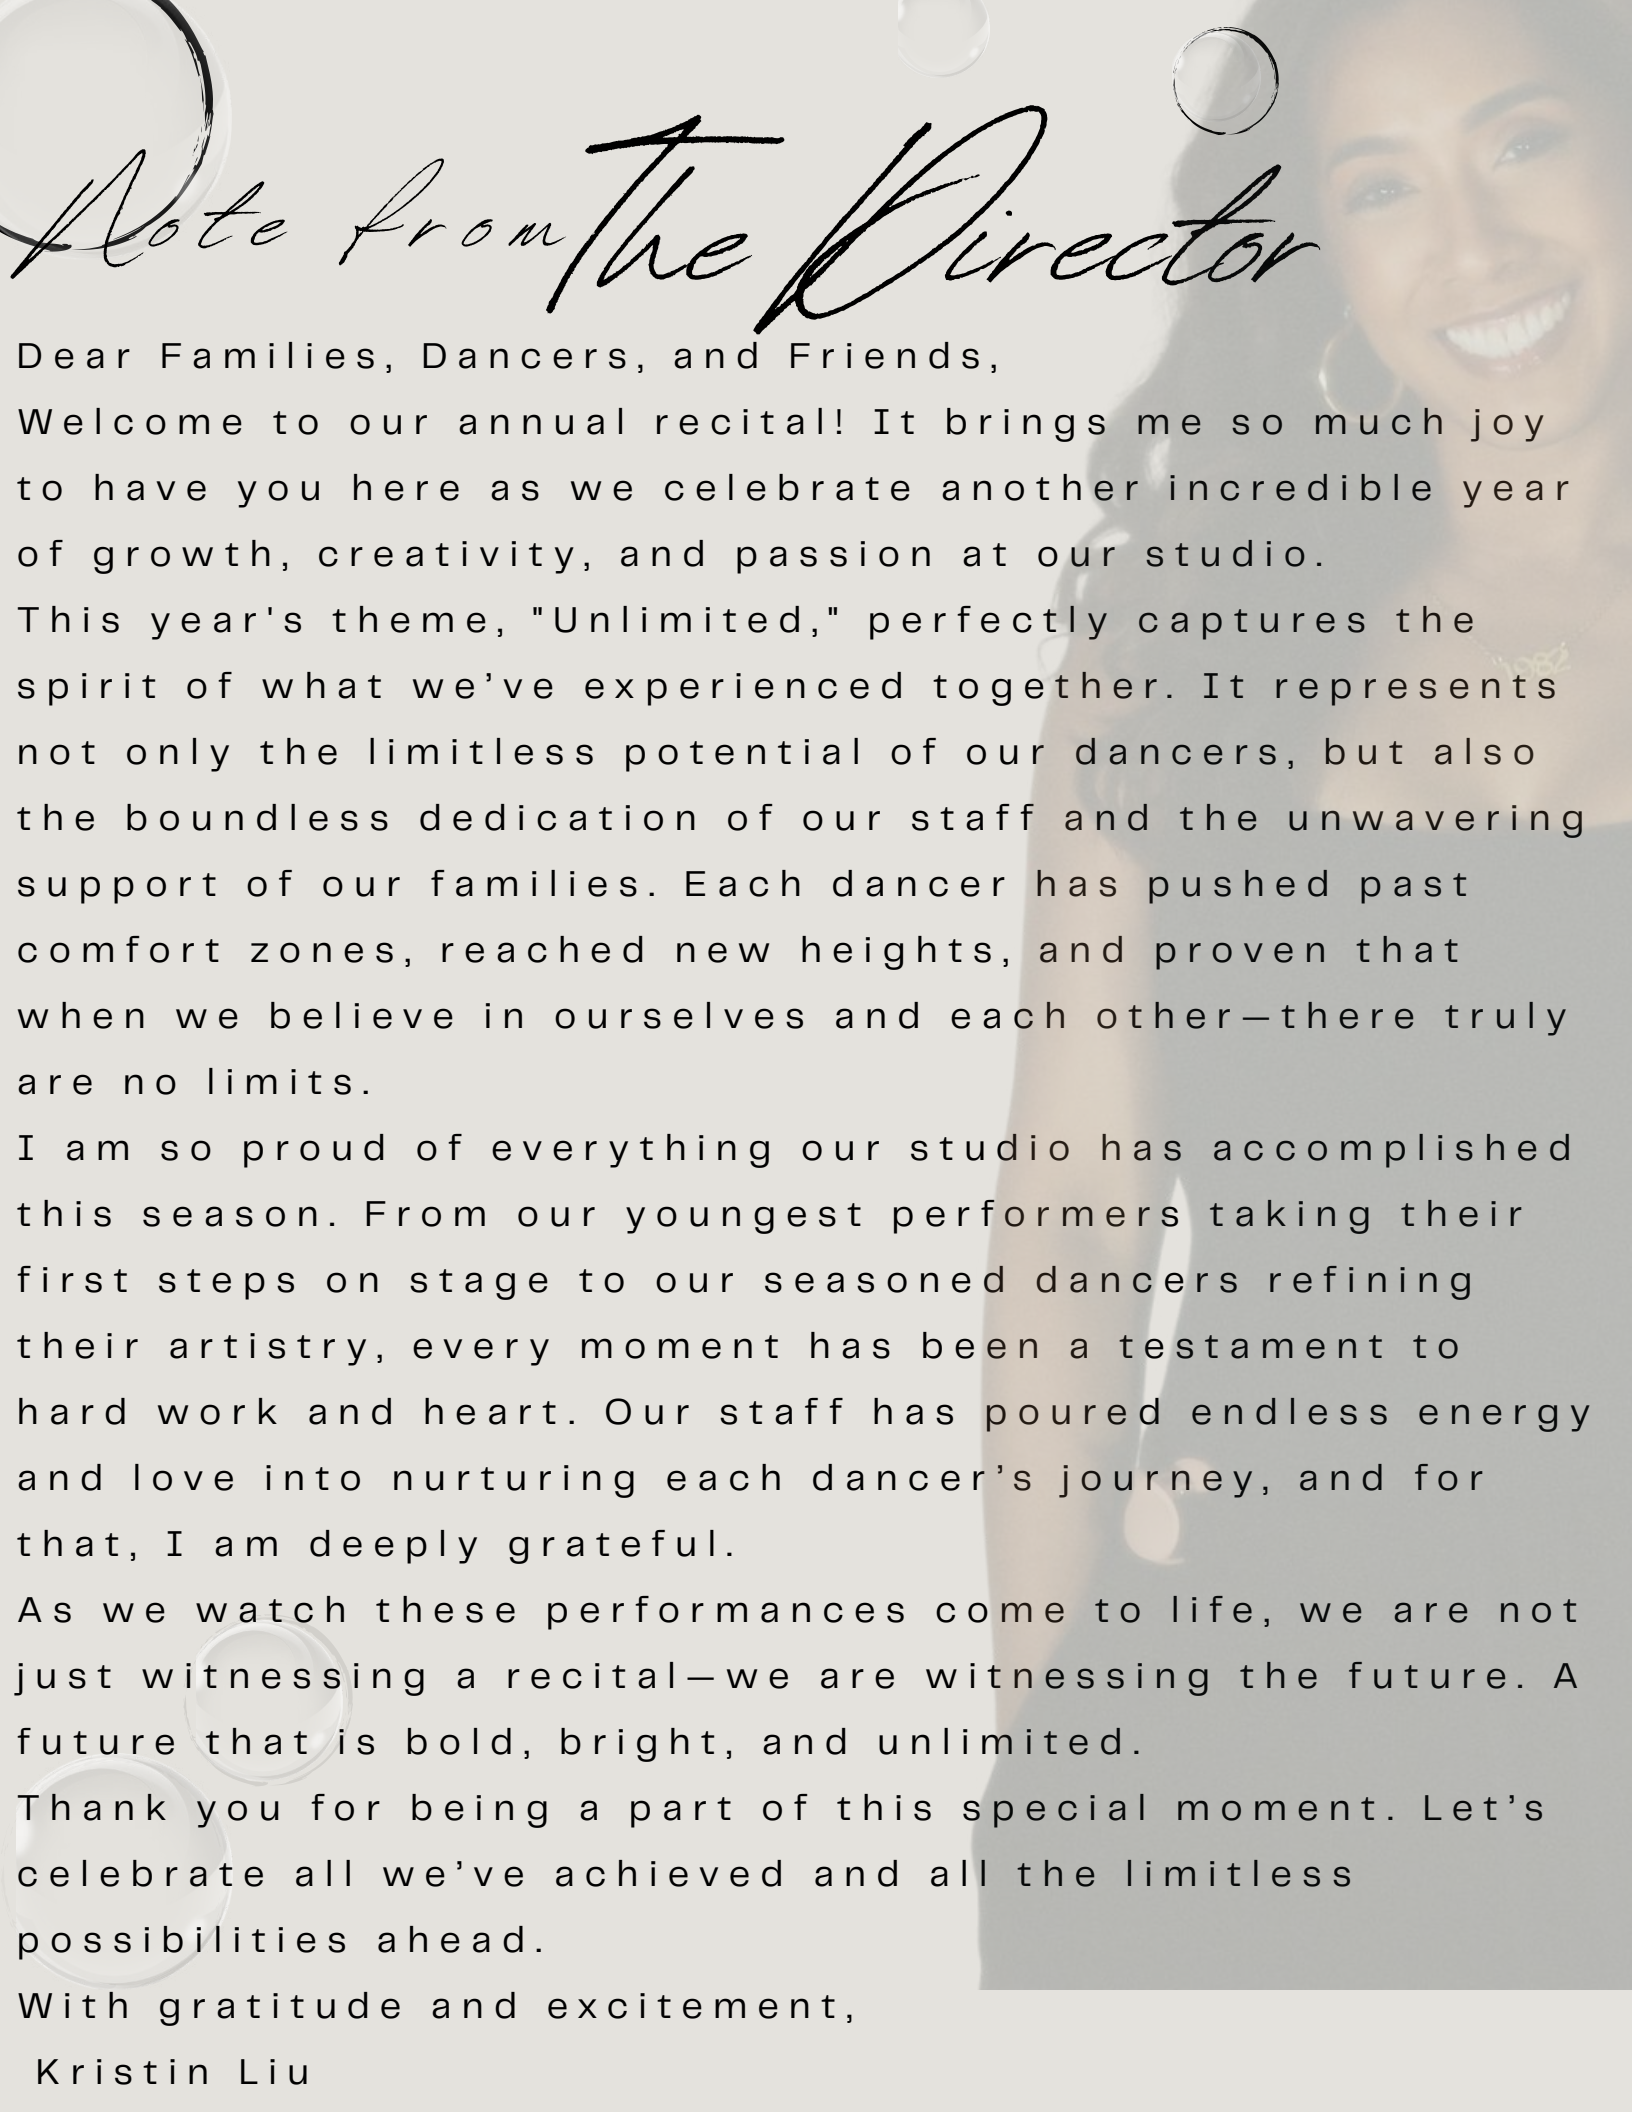

Our Angel - Tania

With full hearts, we dedicate this performance to the strong women who came before us, those who uplift us today, and the young women we are honored to teach every day.

Many in our community have felt the deep loss of mothers, sisters, grandmothers, and friends. Their legacies continue to guide and inspire us. We dance for them—and we feel their presence with us. To those grieving, please know: we see you, we love you, and we stand with you.

We also honor the incredible women who keep this studio thriving—our staff, dance moms, grandmothers, and more. Your support is the heartbeat of our DU family, and we are endlessly grateful.

To our dancers: everything we do is for you. Watching you shine on stage is our greatest joy. The future is limitless, and we can't wait to see the amazing people you'll become.

Note From The Director

Dear Families, Dancers, and Friends,
Welcome to our annual recital! It brings me so much joy to have you here as we celebrate another incredible year of growth, creativity, and passion at our studio. This year's theme, "Unlimited," perfectly captures the spirit of what we've experienced together. It represents not only the limitless potential of our dancers, but also the boundless dedication of our staff and the unwavering support of our families. Each dancer has pushed past comfort zones, reached new heights, and proven that when we believe in ourselves and each other—there truly are no limits.

I am so proud of everything our studio has accomplished this season. From our youngest performers taking their first steps on stage to our seasoned dancers refining their artistry, every moment has been a testament to hard work and heart. Our staff has poured endless energy and love into nurturing each dancer's journey, and for that, I am deeply grateful.

As we watch these performances come to life, we are not just witnessing a recital—we are witnessing the future. A future that is bold, bright, and unlimited.

Thank you for being a part of this special moment. Let's celebrate all we've achieved and all the limitless possibilities ahead.

With gratitude and excitement,

Kristin Liu
